Race #36 The Final Phoenix

It has been an exciting racing season. The Boys giving us a show each week throughout the year.

That is nothing compared to the exciting competition in our SGI AUTO GLASS Challenge.

From the early on domination by Michelle Omundson to the incredible battle between Bobby, Erick, Nick and Stan. It has been exciting to watch. Even if we were not a part of that action, we have, all season, been competing against family and friends. Even to our good Buddy Chuck in last place, in the last race his rival scored 1 point, no longer tied, Chuck is all alone again in last.

We have prize money to give out.
