Race #35 Martinsville

The Boys put on a heck of a battle to get into the final 4 at Martinsville. We have our own battle.

To determine the winner of the 6th and final round of the AUTO MEDICS Challenge, it is wide open. Leader Parts Mid-West has a few blocks but there are many Teams ready to race for the lead and the Championship of the 6th Round.

The Grand Total Column will determine the 2024 AUTO MEDICS Championship. Evergreen Accounting has a nice lead but Woodland Liquor, Tri Lakes Timbers Campers and BK Boys are within 20 points and with a pole and a win, they could be the Champion if Evergreen Accounting does not score. It will come down to the pole winner. Will Woodland Liquor, Tri Lakes Timbers Campers or BK Boys pull that off.

Also Woodland Liquor will give a \$45 prize to the 2nd place finisher in the Grand Total Column. Now that could get interesting.

Thanks to AUTO MEDICS Auto Repair 6th Ave East and 5th St. Mike Archer and the guys certainly enjoy being the proud sponsor of this game.
