## **Race #13 Charlotte 600**

The Race in Charlotte Sunday Night ended early, stopped for rain. The winner was the #7 Daniel Suarez, not considered having a strong chance of winning. It was strategy that got him the lead, he was able to hold off stronger cars, then the rains came to end the race before finishing the total laps. It shows you can do great things with less when you use good strategy.

The #45 wins the pole after NASCAR canceled qualifying and calculated a computer matrix that showed the #45 earned the pole from his matrix standings. That's OK, I don't understand it either. Just know the #45 is the pole winner. No pole winning or race winning picks.

**In the 9 and Under;** Leader Roman scored 3, 2nd place Lily scores 2 and 4th place Lucy scores 8 and moves to 3rd behind Roman and Lily. Other point earners: Stella.

**In the 10 and Over;** Leader Cadence scores 6 points and increases her big lead. Other point earners: John, Peyton, Ella, Eathan, Calvin and Everly.

One of our racing heroes, Kyle Busch, passed away suddenly from an illness. It is a reminder we must all take good care of ourselves, listen to your parents and your doctor. Stay well. Do good things. His car #8 will now be driven by another driver and changed to #33. If you have picked the #8, you will get credit for where the #33 places in the top 10.
