## **Race #9 Kansas**

The Kansas Speedway is not too far from Duluth, down I 35. I have been there a few times in a motor home in the infield. The track was designed so you can see the track clearly from everywhere you are at the track and that is true.

The #45 once again wins the pole and the race good for 20 points. The #45 had to earn the win, making a pass on the last lap and just holding on for the win.

***In the 9 and Under;*** One player picked the #45 and earns 20 points, Olyvia moves up in the standings. Well done Olyvia. Other point earners; 2025 Champion Lily scores 9 and moves to the lead, Lucas scores 9 and moves to 2nd, Lucy and Stella scored.

***In the 10 and Over;*** Hayden scored the 20 points picking the #45, great move Hayden, moving from 8th to 3rd. The top 5 players did not score. These players will get closer to the leaders; Ella, John, Elijah, Chase, Eathan, Aiden and Jack.
