Race #1-6 Daytona-Darlington

We are a little late, no one wants results out there more than us, sorry, we just couldn't make it happen in a timely fashion. Some things to go over.

PLEASE PLEASE check over what we have listed for you. I did make changes to many entries to comply with the rules. We do make mistakes on occasion so please check over your picks as we have them listed.

Thank you SGI Auto Glass 823 Belknap Ave Superior WI back lower level of the Blaine Building 715-394-5588. When in need you have a friend in the Auto Glass Business, they are locally owned and like family. They do it all, including as sponsor of this game, every 6th race giving away a \$50 Universal Gift card to the leader of the SGI Auto Glass Challenge. Winner at week 6 Gene Dahl from the Melrude Whistle Stop Bar 1763 Melrude Rd, Melrude. Gene is a part of the group organised by our long time friend Greg Bennett.

Please check out our web page at waltschallenge.com Jeff does a great job making it full of great information.

We will have results each week posted on the web page as timely as possible, generally by Wednesday. Pam and Jeff are volunteers and have other jobs, they each have an interest in getting results out to you.

Thank you all for playing. Yes, the number of players is dropping. We will keep going as long as you are with us. Most of you have been with us for a very long time and we are honored for the trust you have placed in us. Enjoy.
