## Race #10 DEGA

Guessing we are all old school when it comes to NASCAR watching, Talladega has been on our watch list for decades. Always predictable to be unpredictable, and it was. A lot more strategy this year, a little more strung out at times. Even that could not prevent the BIG ONE!!! Many broken brackets on that one.

Qualifying was rained out, the pole was, deemed by NASCAR, to be earned through a matrix points system, good enough for NASCAR, good enough for the SGI AUTO GLASS Challenge. And these folks; Greg Bernitt (twice) from Mugs Bar in Ashland, OUR 2025 SGI AUTO GLASS CHAMPION KELLY DONNAHUE (Twice) from Bergeys Sports Bar 23rd Ave West and Superior St, about time I got to mention you, C. Bell from T-Bonz Bar and Grill 26<sup>th</sup> Ave West and Superior St, Bulldog from the Tappa Keg Bar and Restuarant 70<sup>th</sup> Ave West and Grand Ave across from the Zoo, John Donnahue from Bergeys, keep up son, Carol Hanson from the Deb Aleff group, Luc Jean from the Kom in Inn 57<sup>th</sup> Ave West and Grand Ave and from the last page Emma Brock from the Melrude Whistle Stop Bar 1763 Melrude Rd in Melrude, google it, its where the trans speed by, fun.

NOTE TO SELF 2027; Pick the #77 more often. When you are threatening to drop to last palce, you do desperate things. Richfield Baltgalvis from the Baltgalvis Family, he picked the winner #77. You are safe my friend, for now.

Also Larry Benzinger has bragging rights in the Steve Ehenbach Group with his winning pick.

Last place Mike Kocharski scores, again, so did Richfield just above him, but this time Mike is saved by the slow moving chicane of Derek Kivi of Kivi Bro Trucking and our good friend Bruce Murphy from Wilson's Garage where he will be flogged with a wet paper stir stick by the Boys of Wilson's Garage. Derek and Bruce now share the last place honors. Mike, you are not last, but I worry about your pick for Texas, GOOD LUCK.
