## Race #17 San Diego

It had to happen at some point. Just look at the impact the #97 had crashing out. Actually, look at the impact if the #97 won the race. Never have I seen so many players pick the same number for a single race.

I won't even attempt to decipher the results here. They speak for themselves.

However, one I can give you. Last place Derek Kivi, in all this massive support for one driver, Derek, from Kivi Brothers Trucking, picked the #12, at one time the #12 was leading, finished 9<sup>th</sup>, good for 2 points and Derek is out of there. Not far of course, we will leave the light on for you.

Come on down Mike Kucharski, from the Kom on Inn Bar 57<sup>th</sup> Ave West and Grand Ave, welcome back. Feel the love, support and empathy, just like before, only louder.

The next races are on TNT, ending the races on PRIME! There seems to be a movement to have PRIME carry every race. What does that mean for you? Will you finally give in and join PRIME? Spectrum Cable I think offers PRIME for free as a streaming app.

A possible positive, if you don't mind watching the race on your phone, you could be in your cabin, in your boat and watch the race if you can get the signal. Smart tvs will allow you to connect your streaming phone to show up on your tv.

Down side, we are a stubborn bunch, not wanting to be bogged down with streaming contracts we don't understand. Hopefully we will get over that and remain a NASCAR Race Fan.

Next week will mark the halfway payout of the SGI AUTO GLASS Challenge. We will pay 10 top places and beyond for ties with 10<sup>th</sup>. Prizes; \$100, for 1st, \$75 for 2nd, \$50 for 3rd, \$40 for 4<sup>th</sup> and \$30 for 5<sup>th</sup>. \$25 6<sup>th</sup> through 10th

**Next Race**  
**Sonoma**  
**2 PM on TNT**
