## Race #12 Watkins Glen

In my 50 or so years of watching NASCAR, I don't remember any driver and team having such an impact on the sport or of this game, as that of the #97. In the choices made at the time of your filling out your entry form on road courses, you had to choose between the near assurance of earning 20 points, or going against the popular wisdom and when the #97 failed, you were there to pick up the pieces. We are a bit divided, the #97 folks win big time. The number of #97 picks is incredible, you see them all clustered at the top. Even the last page had six #97s. And it will be like this for the road courses. You took your chance and took the risk.

At Race #12, our leader of the SGI AUTO GLASS Challenge, Rick Lowney from Woodland Liquor top of Woodland Ave. not only earns the 20 points for his lead but for his 2nd place as well. Rick earns a \$50 Universal Gift Card from SGI AUTO GLASS 823 Bleknep Ave in Superior lower level behind the Blaine Bld 715-394-5588 for winning Round Two, next Gift Card at race #18.

The SGI AUTO GLASS Challenge will take a week off as we do not count the All Star Race in our game. Our next pont race is Charlotte. The Charlotte 600 will start a run of 5 races on Prime.....

Back when I first started watching NASCAR in the last 60's early 70's, the races were rarely in tv, and when they were not always full length. Coupled on the Wide World of Sports with Sumo Wrestling and Water Polo. We actually were thankful for any coverage at all. Cable came along, ESPN, TNN and others created more interest and NASCAR was in its prime, so to speak. We have been spoiled over the decades. Every race covered with great quality and great characters both on the track and in the booth. We are seeing a change, the coverage is there, are we willing to take that leap, buying more and more apps to watch. Much like the picking or not picking the #97, some will lose out some will win.

The Local racing season has started, support your local track and cheer on Jody Bellefeuille in his #11 WISSOTA Mod. We don't want to lose our live local racing.
