Race #7 Martinsville

A few things to clear up.

The #48 has a substitute driver. When you make your picks, you are locked into the car number no matter who is driving.

SVG changed from #88 to #97. Some players got it, some did not and hoped we would make changes. We did not change any picked 88's or 97's.

When I made out the entry sheets there was a Charlotte ROVAL. Soon after it was announced Charlotte was going back to the OVAL. Good Luck.

Leader Gene Dahl from the Melrude Whistle Stop Bar 1763 Melrude Rd Melrude has one of the many winning picks. Yup, that's what leaders do.

Ryan Blaney and Leo picked the pole sitter and near race winner good for 14 points. You can meet Ryan Blaney at T-Bones Bar and Grill 26th Ave West and Superior St. Oh, and Leo to, also from T-Bones.

There are to many winners and pole winners to mention. Suffice it to say, if you scored you are on the move, if you did not, just wave as they go by. You'll be back.

I always like to pick on those in the back, last place is very interesting and often very competitive. Holy Molly Rocky, They all scored. This game is much to easy. One of you will be known to me, and everyone else in the game. Stay tuned.
